DIRECTOR

The training that you have received here will enable you to do more for your country and for yourselves. It is our earnest hope that you will use this training well and will be better citizens with your every effort of every day.

You are entering a shrinking world of rapid and unforeseeable changes but you are well prepared.

Remember the words of Franklin Delano Roosevelt; "The only limit to your realization of tomorrow will be your doubts of today, so move forward with a strong and active faith."

PROPHECY

It is now the year 1974 and we have just come from our 10th Reunion party. We were talking to Joyce Hamel, who now has her own beauty salon. Working for Joyce is Edna Pelletier and "Sis" Betty. Pat O'Leary just flew in from Hollywood after doing the hair of that new starlet, Pauline Montminy. Gail Guild has been visiting Caroline Kennedy, she is Caroline's personal beautician. Priscilla Blanchette is now working for an undertaker and, she is proud to say that her customers never complain. Ethel Decelle is now the President of the Lowell beauticians association. Due to the increased enrollment at Vocational school, Miss Delaney has hired Aline Brunelle, Dorothy Laflamme, Doris Lacourse and Pauline Chateaufneuf as teachers. Pauline has been doing this part time because her twin daughters keep her quite busy.

We see Denny Thibodeau, Tom Hatch and Roger Fields who just drove back from New York to join us at this gala event. They are owners of a new electronic concern in Tewksbury. David Michael Hatch is a big help to his Daddy. Dick Danjou has opened a new garage on Moody Street and he has Charlie Jones and George Raymond working for him. Dick Jean and Bob Rodgers have been asked by the Governor of Massachusetts to report to him to make plans to rewire the State House. They will certainly be surprised to see Al Brown, who is now the Governor. Armand Landry now has six children and owns his own store. Bill White is President of a chain of grocery stores all over New England. John Szetela and Bob Morrisette are in partnership in a furniture store on Lakeview Avenue. Bob McArdle is now Vice-President of General Motors. Roger Lessard, manager of the United Trading Stamp store, just ran over to say "Hello." John Slater has his own cycle repair shop, which is in the attic of his house. He said he preferred it upstairs because it is easier to throw them out the window when he can't fix them. Mike Krygowski has John King working for him in his furniture repair business.

Jeanne Nadeau is now Miss Chisholm's helper. Rita Senior, Esther England, Rachel Danis and Lauretta Thibault just returned from England with their husbands, The Beattles. Lonida Alexander now owns her own bakery and has Mrs Jussaume, the former Jeannette Fortin working for her. Diane Campbell just celebrated her sixth wedding anniversary as Mrs. Jones and seen at the party were Diane Laurencelle, Gloria Cote and Terry Duhamel. Pat Patton is now working in the poultry department at Kresges. Loretta Guild is now married with two beautiful children. Beverly Downs has recently been engaged, her maid of honor will be Priscilla Rocheleau, and they intend to buy their gowns at Anita Gaillardetz's store. Joanne Roy has just finished knitting a beautiful sweater for her husband who is the janitor who took Jimmy Mulligan's place. Jeanne Wilson is busy selecting wallpaper for her new home which is in Dracut. Judy Sherburne is now on television every Sunday night on her own show. Donna Laffey is tied down pretty much with four children but her hubby Dick let her get out for the night.

Ken Allaby has just opened a cabinet shop and is doing very well. Walter Dombrowski now owns an automobile garage and has for his first assistant, Walter Booth. We always knew these two would make good. Frank Dumont is now Mayor of Lowell and was the man who organized this party of ours. Mike Coffey is now head of Maxwell house coffee. Dave Nelson, Frank Gregoire and Bill Davis are now on leave from the Air Force. Brian Reis is the top mechanic for one of the best stock car drivers in the world, Paul Hannon. Ray Willett is now working for WHDH TV and Robert Vigeant and Ed Murray are now teaching at Trade School.

Too bad Lucille Lamothe and her husband Paul couldn't be with us. They just moved to Florida. Lorraine Gervais, who just opened up her own art studio is giving lessons to Eileen Plante's two children. Elaine Rondeau is now manager of

Kresges snack bar. Priscilla Vallerand has just moved back to Lowell after spending the last five years with her husband in Bermuda. Katherine Krygowski is now working at Lowell Trade as Mr. Conlon's private secretary. Donna Fairbrother and Marina Lampropoulos are at the Plaza waiting for their husbands to close up for the night. Rachel Dion is employed as a cashier at Pollard's department store. Pauline Berard has been very busy modeling in Boston, Paris and New York. Edna St. Cyr, Rae Rousseau and Priscilla Pare now have their own dancing studio. Mary Ellen Roberts goes over to Mary Glynn's house where they and their husbands play bridge every Saturday night. Claudia Dunn and Nancy Queenan are working as nurses at St. Joseph's hospital. Theresa Ferraro is now a teacher at the Lowell Day Nursery. Loretta Vigeant and Linda Foye are busy making plans for our Fifteenth Reunion which will be held on the Moon. At least they think it will.

Jim Doyle is now a Captain in the Army and has charged of all the trucks at Fort Devens. Dick Brassard and Ronnie Belley have their own snow blower and lawn mower repair shop. Dick works in the Summer and Ronnie in the winter. Jim Laferriere has just left for his honeymoon. He now owns his own Machine shop and while he is away Bob Champlin will be in charge. Paul Valcourt, now retired, still drives to Lowell every day. He just couldn't get out of the habit. United States Senator David Sireen has just hired Al Lavoie and Charlie Gath as his two assistants. They have the job of assisting him with all his lady friends. Watson electronics has just hired Ed Walsh as Vice-President. Russ figured he could trust Ed when he goes on his vacation. Russ works two weeks a year and vacations fifty. Gerard Beaudry, Gerry Berard and Bob Levasseur wished to be remembered to everyone and are sorry they cannot attend. They are orbiting the world. President of the painter's union is Brush Weillbrenner. Dick Aubrey, Personnel manager of Phil Collins' machine shop has just given Charlie Ruiter a job. Red Lemieux started working for Phil but branched out for his own. His job is located in Maine. He always wanted to live up country because he likes bear meat for breakfast. Dan Cahill is now a shop teacher at school. Dave Austin has his own construction firm and has Roger Brunelle and John Duffy working for him. They only have one problem, no one seems to be buying there houses. They are all floating houseboats. The Lagasse twins took the place of the Smith Brothers, and their pictures are all over the world. Gerry Fortin just finished his house on time for his seventh wedding anniversary. Roland Langlois has just finished a hope chest for his favorite girl. He thanks Bob L'Hereux and Fred Modeski for helping him. With all the girls these two guys have had they should be able to make one blindfolded. Gerry Ralls and Bill Riley are still in the Navy and wont be out for ten more years. Dennis Creegan, Roland Gagnon, Ray Richardson and Tom Hagan are touring the country. They are that new quartet which is called "The Bugs." Dave Coles comes to school everyday to sell candy to the present students. Bill Perry and Paul Sargent are still furthering their education. They are afraid to start working, knowing it will bring them nothing but money. This is the last thing they need as they married old ladies when they graduated. Their wives are now dead and they are both millionaires.

BASKETBALL

This year's basketball team finished in third position in the Eastern Massachusetts Vocational School League. The team will miss the services of Denny Thibodeau, Ed Walsh and Jim Doyle who have been real assets. The future looks very bright because of the playing abilities of many Freshmen and Sophomore's who starred on the J.V. squad. The names of Larry Foye, Captain-Elect Bob Gitschier and Ken Dixon will definitely add to the basketball prospects of our school. We tip our hat to Coach Slattery and his players for showing us real sportsmanship in all their contests. The score isn't always the important thing, its the way you play the game.
